OSHA INSPECTION

Patrick Gillis, Superintendent for the Middlesex Elementary School project, has passed his first big OSHA inspection with zero violations.

Well done, Patrick!

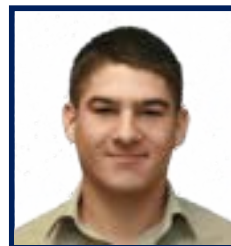

eci Wireless

YORK FAIRGROUNDS C.O.W

Before the aroma of funnel cakes and corn dogs fill the air, a C.O.W (Cell Tower On Wheels) will arrive at the York Fairgrounds to ensure ample coverage for live-streams, snapchats, and selfies.

C.O.W.s are set up to provide service in locations that have a temporary influx in population. This includes heavily attended affairs such as concerts, festivals, and sporting events.

The York State Fair is held from July 22nd to July 31st, so Verizon is placing a C.O.W early to provide seamless service to their customers that are attending.
