A PRODUCTION OF ECIGROUP

AUGUST 19TH, 2022

In Loving Memory of Billy Eichelberger

# WILLIAM P. "BILLY" EICHELBERGER III

## JANUARY 5TH, 1980 - JULY 31ST, 2022

William P. Eichelberger III, of Dillsburg, better known as “Billy” to everyone that knew him and “Da-Da” to his son, passed away peacefully in his sleep Sunday, July 31, 2022, at the age of 42.

He was born on January 5, 1980 to William P. Eichelberger II and Teresa A. (Murray) Eichelberger of Dillsburg. After graduating from Northern High School in 1998, Billy began his career working with his family’s construction business, Eichelberger Construction, Inc. dba eciGroup. Billy started working in the field alongside some of the finest craftsmen in the area and ultimately assumed various administrative duties with the company. In the office, Billy initially worked as an estimator and eventually assumed the duties of Vice President and Chief Financial Officer. He was instrumental in leading the company through the many challenges faced during the recent pandemic and implemented many improvements to various company processes making the company more efficient. Billy was so proud of the family business, working along with his father, mother, brother and many of his friends. His experience, dedication and commitment to the company was a big part of the company’s success over his 24 years.

Billy was married to Vanessa (Leffler) Eichelberger and was the loving and devoted father to his 7 year old son, William “Parker” Eichelberger IV. Billy is also survived by his older sister, Amy (Eichelberger) Adams and her husband Chad Adams of Dillsburg, his younger brother, Scott Eichelberger and his wife Alyssa (Bell) Eichelberger of Dillsburg along with his nieces and nephews, Ella Adams, Jake Adams, Evelyn Eichelberger, Tanner Adams, Brady Eichelberger and Jayce Adams.

In his younger days, Billy participated in youth baseball, football and wrestling. Billy was an avid Penn State Nittany Lion and Pittsburgh Steeler football fan attending many of the games with family and friends. In addition to spending time with his family, Billy had a close circle of friends that he hung out with and many times could be found with them somewhere in the outdoors either at a cabin, hunting, fishing, 4-wheeling, kayaking and skiing. He also enjoyed going on vacations, attending concerts with his family and friends and watching his son Parker play football and soccer.

Billy was such a generous and giving person with a big heart and wonderful smile. He would give anyone the shirt off his back and was adored by so many people that knew him. He loved his family, especially his son, who he was so proud of. Billy left us way too early but is now in heaven, probably snoring away, and it is comforting to know that his legacy will live on through his son, Parker, and the many memories Billy leaves behind.

**Until we meet again. See you on the other side.**

SUSQUEHANNA TOWNSHIP ADMINISTRATIVE OFFICES

eciConstruction has nearly completed interior and exterior remodels of the Susquehanna Township Administrative Offices located on Linglestown Road in Harrisburg, Pennsylvania. The project includes exterior facade upgrades, all new mechanical, electrical, IT, and plumbing systems as well as a new reception area, restrooms, staff offices, kitchenette, and conference rooms.

The Architect on this project is TONO Group.
